

Welcome to the Heart of Florida (HOF) Section of the Florida Chapter of the American Planning Association (FAPA)! HOF is your direct connection to planning and development throughout central Florida. Comprised of city, county, and consulting planners as well as public officials, attorneys, engineers, developers, and builders in Polk, Highlands, and Hardee counties, HOF actively promotes professional development and networking through workshops, seminars, field trips, training, and our *Heart-Beat* newsletter.

Each year HOF sponsors several events and actively participates in Legislative and other regional events throughout the state to keep the membership current with the latest issues and trends. Join HOF today and keep up with the latest projects, planning challenges, and opportunities in Central Florida!

Sincerely,

Hetty C. Harmon, HOF Secretary
